

INSTRUCTIONS

1. Print off one copy of the “Passport Cover” and “Passport Cover Side 2” files. As indicated by the names, the “Passport Cover Side 2” file should be printed on the back of the Passport Cover file.
2. Print off as many Passport Insides as you’d like. Print them on both sides of your paper.
3. Use scissors or a paper cutter to cut along the dotted line. -----
4. Fold along the gray lines. _____
5. Nest the pages in numerical order to make a passport book.
6. Include a photo, self-portrait or your fingerprint in the box under the space for your name inside the passport cover.
7. Enjoy!
